

Ask Dr. Omni, D.M.

What seems to be the problem today?

Our marketing campaign ideas come together pretty quickly to keep up with the fast-paced digital marketing landscape. We can't risk how long it could take to put direct mail campaigns together.

Doctor's Orders:

Direct mail campaigns are not as complex to plan as you may expect. My Resource Network (RN) team has more than 40 years of experience planning and executing campaigns under even the tightest of deadlines. As long as you can supply us with your creative and messaging, we can you quickly determine the format and delivery method that will best fits your needs, and do what it takes to get your message out as efficiently as we can.
